A LOOK AT NEW MERI LIBRARY SERVICES: THE JERSEYCAT INTER-LIBRARY LOAN SYSTEM

The MERI Library is now a member of the New Jersey State Library's JerseyCat System. JerseyCat is New Jersey's statewide virtual catalog and inter-library loan system. With JerseyCat you can search multiple online catalogs simultaneously and view the results in one list. There are currently over 700 libraries participating in the JerseyCat system with over 4 million library holdings listed in the union catalog. JerseyCat provides library patrons with an interlibrary loan system that can use from their home or office via the World Wide Web. Access to the JerseyCat system is available through the MERI Library's Web Site under the Library Catalogs link.

Instruction guides and online tutorials for using the JerseyCat System will be posted through the MERI Library's Web Site under Research Guides & Tutorials once they become available. Individual and group instruction in using the JerseyCat System will be provided upon request. For more information on using the JerseyCat System or to place an Inter-Library Loan Request, contact the Librarian at the MERI Library, 201-460-2808.
